

It is with extreme regret that we have to inform you that the **2020 Hot Shoe 100** has been **postponed until 2021**.

With the immense amount of support that we've received in previous years for the event, we realize it is in our racers and fans best interest to have ample time to make their plans and schedules for the remainder of the race season. The amount of uncertainties with the US and Canadian governments and the international border closures being extended, has unfortunately forced our hand in this decision. We are terribly sorry, but we look to make 2021 bigger and better than ever before.

With that being said, the MOD WARS event at Kalamazoo Speedway has been rescheduled for the August 8th weekend. We hope with this rescheduling, this event can accommodate our racers and fans and get them to the track!

The **2021 Hot Shoe 100** is set for **August 5-7, 2021** at **Kinross Speedpark!** Kenny Wallace has already confirmed that he will be attending.

Any "prepaid" registrations & camping can be applied to 2021! Or you can call: Donna @705-254-5200 or Kim @231-330-3656 to make other arrangements.

Please stay tuned! 2021 will be spectacular!

Thank you for your understanding and see you at the track real soon!

The Gray Crew
